

First-kit purchase plan

Keep required tools, existing equipment, selected options and the full cost together.

Use your trainer's requirements and current selected prices. Record any service quote separately. Keep the completed copy with your purchase notes.

Purchase notes

Required job and timing

What the next training tasks require and when it is needed

Already owned or available

Tools, condition and suitable care or storage you can keep

Selected tools and options

Each model, hand, nominal size and blade or tooth option

Inclusions and missing extras

Listed contents and care or storage still needed

Selected prices and checking date

Current selected prices; keep a service quote separate

Delivery and full order total

Delivery for the intended address and the final AUD total

Question to settle before paying

Any tool requirement, inclusion or ordering detail still unclear

Print and write, or fill in a PDF viewer and save your own copy.

Keep longer notes on an attached page. This file does not send your notes to the site.
